Velvet Cleaning Ltd.

23rd December 2013

To whom it may concern,

Velvet Cleaning has been providing office cleaning services for the French Consulate in Edinburgh since September 2013.

During these first few months, we have been able to appreciate Velvet Cleaning's very thorough and professional approach to the job. We would gladly recommend them to any company looking for an office cleaning contractor.

We have been assigned a designated employee and a replacement has been trained to take over when needed. This makes for a steady and personalized business relationship, which we highly value.

We will be happy to provide additional information or answer any questions, if needed.

Yours faithfully,

Emeline Javierre
Consul. Chef de Chancellerie
