

Friday 23rd December 2016

Velvet Cleaning took on the day to day cleaning of our two offices in Edinburgh in June 2014 during this time we have found Lukasz and his team to be extremely accommodating and helpful. We have often needed them to do one off jobs such as deep cleans or carpet cleaning and they have always accommodated us quickly, professionally and the work has always been carried out to a very high standard. I would highly recommend Velvet to anyone looking for a cleaning service.
